DUTCH TOUCH PARIS 2011

The Dutch Touch Paris 2011 campaign is organized by the Dutch Fashion Foundation with the support of the Dutch Ministry of Economic Affairs, Agriculture and Innovation as part of the 2g@there program.

The Dutch Fashion Foundation kicked-off the Dutch Touch Paris campaign at ATMOSPHERE in September 2009. In March 2011 the campaign brings two Dutch prominent labels to ATMOSPHERE, Jessica Joyce and Marcha Hüskes. The main focus of this mission is to support Dutch designers in the embedment of their labels in the French and international market and concentrates on the presentation and sales of the Autumn/ Winter 2011-12 collections to international buyers, agents and media. Dutch Touch Paris 2011 is also present at TRANOÏ with the three Dutch labels Avelon, Sophie #1234567+ and SIS by Spijkers en Spijkers.

The Dutch Touch campaign has been operating since 2001 in the most significant fashion capitals such as Milan, Rome, Paris, Florence and New York, with the aim to reach out to other markets in order to introduce them to Dutch fashion design.
